DEPARTMENT OF REVENUE
WEST VIRGINIA RACING COMMISSION
Earl Ray Tomblin
Governor

I am very pleased to provide the 2014 Annual Report of the West Virginia Racing Commission.

The racing industry in West Virginia is made up of many dedicated men and women who play integral parts in delivering a product to customers who get the opportunity to jump up and down, shout, and sport an ear to ear smile. Through live racing or a simulcast broadcast to a mix of customers around the world, the excitement that comes from the competition of racing greyhounds or thoroughbreds is easy to see.

One thing to be noted is that the rapidly-changing, racing industry is going to provide a moving target for those involved in the success of the sport. Attracting new customers and retaining existing ones will require creative ways to promote and deliver the product to the public. Ensuring the integrity of the sport in West Virginia requires the WVRC to be diligent in assuring that the sport is competitive and fair. The WVRC employees and our Commissioners remain dedicated to continuous improvement of the agency operations and the industry as a whole.

The WVRC continues to expand the number of medications that we monitor in daily samples at West Virginia racing facilities but also continues to work with national organizations to make sure that we monitor to assure that there are not abuses in the quantities of drugs that are considered therapeutic. We are improving our participation with surrounding states to identify licenses issued, hearings held and rulings issued when there have been violations.

We appreciate the opportunity to serve the State of West Virginia and the public. Please contact our office if we can help you.

Sincerely,

A handwritten signature in blue ink that reads "John A. Myers".

Introduction

Origin of the West Virginia Racing Commission

The Commission was created under the provisions of Chapter 19, Article 23, Section 1 (the Act), of the Code of West Virginia 1931, as amended. Under the Act, the Commission is charged with the promotion of thoroughbred horse and greyhound dog breeding in the state of West Virginia, and "has full jurisdiction over and shall supervise all horse race meetings, all dog race meetings, and all persons involved in the holding or conducting of horse or dog race meetings."

- Provides hearings through the Board of Stewards and Board of Judges for racing rules violations by the occupational permit holder; collects the fines resulting from hearings.
- Calculates and collects each race day the amounts due to recipients as set forth by statute

Medical Fund

- Identifies occupational permit holders potentially eligible for the Medical Account (approximately 3,000).
- Informs the occupational permit holders who have no insurance that this account is available to assist them and that certain criteria must be met before receiving any benefits.
