Earl Ray Tomblin  
Governor

I am very pleased to provide the 2015 Annual Report of the West Virginia Racing Commission.

The racing industry in West Virginia is made up of many dedicated men and women who play integral parts in delivering a product to customers who get the opportunity to share in the excitement of thoroughbred and greyhound racing. Through live racing or a simulcast broadcast to a mix of customers around the world, the excitement that comes from the competition of racing is easy to see. The West Virginia Racing Commission recognizes the impact of the racing industry around the state and is pleased to do its part in supporting the hardworking men and women of the industry through providing incentives to West Virginia owners, breeders and trainers.

Ensuring the integrity of the sport in West Virginia requires the WVRC to be diligent in assuring that the sport is competitive and fair. The WVRC has strengthened our oversight of racing operations by continuing to update our rules of racing, expand the number of medications that we monitor in daily samples at our facilities and working with national organizations to make sure that we remain among the country's leaders in ensuring that our regulations are current and effective. The WVRC employees and our Commissioners remain dedicated to continuous improvement of the agency operations and the industry as a whole.

We appreciate the opportunity to serve the State of West Virginia and the public. Please contact our office for any assistance you may need.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Moore", with a large, stylized flourish extending to the left.

## *Industry Takes a Look Into the Future*

On June 2, 2015 the West Virginia Racing Commission passed a resolution to establish a committee given the task to study current conditions and provide ideas to preserve, protect and enhance the racing industry in West Virginia. The committee consisted of 20 members who represented all facets of the racing industry. On October 19, 2015, the West Virginia Racing Commission was presented with the report on the West Virginia Racing Industry entitled Reflecting, Reimagining & Restoring. The report provides a brief history of the industry and its contribution to the State's economy. It further reviews the challenges and possible solutions. More importantly, the report is an attempt to provide reasonable suggestions for ideas to enhance West Virginia's racing industry and to preserve the thousands of jobs it provides to the residents of West Virginia.

Greyhound racing has been a West Virginia tradition for many years. For decades, tourists and locals alike have shared in the excitement of live greyhound racing at Mardi Gras Casino & Resort & Wheeling Island Racetrack and Casino, immersing themselves in the thrill of watching these magnificent creatures compete on the track.

After a few years in the spotlight, the greyhounds become eligible for adoption. The Racing Commission proudly offers assistance for adopting WV whelped greyhounds. We will reimburse the veterinarian up to \$150 towards the cost of spaying/neutering a WV whelped greyhound for adoption placement.

In Fiscal Year 2015, the Racing Commission processed payments for over 600 adoptions. Since the program's inception in 2011, the Racing Commission has processed payments for over 2,000 adoptions of retired greyhounds
