**B.) (Aggravating)** The Potential of the drug to influence the horse's racing performance

- C.) **(Mitigating)** The legal availability of the drug: Can be legally be available
- D.) **(Mitigating)** Whether there is reason to believe the permit holder knew of the administration of the drug or intentional administered the drug.

- F.) The probability of environmental contamination exposure due to human use:  
**Non-Applicable**
- G.) The purse of the race: **Non-applicable**
- H.) **(Mitigating)** Whether the drug found was one for which the drug was receiving a treatment as documented by the treating veterinarian licensed to practice in West Virginia and holding an occupational permit issued by the Racing Commission.
