ISMAEL L. TREJO

TO: WV Racing Commission/Executive Secretary, John Myers

DATE: April 1, 2015

SUBJECT: 3rd Race, March 11, 2015 declared a no contest

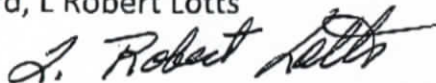

On Wednesday, March 11, 2015 the stewards, consisting of Ismael Trejo, Larry Dupuy and Robert Lotts declared the 3rd Race a no contest after a spill and two riders went off their mounts. Robert Lotts and Larry Dupuy observed the race and subsequent events through binoculars as steward, Ismael Trejo continued to watch on the TV monitor.

All three stewards decided that for the reason of safety to a fallen and motionless rider and an unsecured loose horse that the race be declared a no contest race. The warning lights were activated and did work, and announcements were made.

The jockeys were interviewed and stated they did not see the warning lights, and did not hear the announcements, with exception of rider Katie Crews.

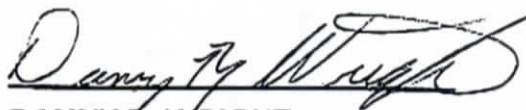

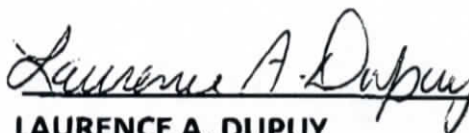

All three stewards agreed that safety was the main concern for the action taken by the Board of Stewards.

Steward, L Robert Lotts

RULING-MEDICATION VIOLATION**

RULING #: 76

TO: Owner/Trainer, Edwin Lee Tobin; Permit #13012; SS# xxx-xx- 7513

On **April 28, 2015**, Having been afforded a Board of Stewards hearing and having waived his right to a formal hearing and after considering the evidence, the Stewards hereby find the following:

The official blood sample **122557** taken on **04/11/2015** was reported by Truesdail Laboratories to contain **Xylazine**, which is a Class 3 drug, with a Penalty "B" designation. The permissible threshold for **Xylazine** is 0.01 ng. /ml. Sample number **122557** contained **83 ng. /ml.** of the drug, which is above the permissible threshold. The sample was taken from "**Luke Bopin Prophet**", the number (6) horse that ran in the (8th) race on April 11, 2015 finishing 1st. The horse is owned by Ashley Tobin and trained by Edwin Lee Tobin.

The Owner /Trainer did not elect to have a split sample tested.

The Stewards conclude that Edwin Lee Tobin has violated section(s) 178-1-49.4.a.2 of the Thoroughbred Racing Rule, 178W.Va.CSR.1. which reads, "**Controlled therapeutic medications in excess of established threshold concentrations as set forth in the Association of Racing Commissioners International Controlled Therapeutic Medication Schedule, Version 1.0, contained in table 178-1F at the end of this rule.**" This medication/prohibited substance violation is the permit holder's first offense for a medication/substance violation carrying a Category "B" penalty. The permit holder has accumulated 0 points under the multiple medications violation point system prior to this ruling. The points assessed for the medication /substance violation are N/A pursuant to section 49.3 m. of 178 of W.Va C.S.R.1.

The Penalty Guidelines set forth in Table 178-1 of the Thoroughbred Racing Rules provide a minimum penalty of 15 days, \$500 fine and loss of all purse monies and a maximum penalty of 60 days suspension, \$1000 fine, and loss of purse for the underlying offense. However, the Stewards determine the appropriate penalty for the underlying offense on case by case basis by considering mitigating and aggravating factors.

In addition, because the permit holder has accumulated 0 points prior to this ruling and 0 points connection with this ruling for a current total of 0, N/A points, under multiple medication violation section 49.m.6 of 178 W.Va. C.S.R.1. This penalty is in addition to the penalty imposed by the Stewards for the underlying offense.

The following is the Stewards' analysis of the mitigating/aggravating factors in this matter.

A.) (**Mitigating**) The Permit holder's past record: **has no drug rule violations**

- B.) (**Aggravating**) The Potential of the drug to influence the horse's racing performance
- C.) (**Mitigating**) The legal availability of the drug: **widely used drug**
- D.) (**Mitigating**) Whether there is reason to believe the permit holder knew of the administration of the drug or intentional administered the drug.
- E.) (**Aggravating**) The steps taken by the trainer to safeguard the horse: **n/a**
- F.) The probability of environmental contamination exposure due to human use: **n/a**
- G.) (**Relevant**) The purse of the race: **n/a**
- H.) (**Mitigating**) Whether the drug found was one for which the drug was receiving a treatment as documented by the treating veterinarian licensed to practice in West Virginia and holding an occupational permit issued by the Racing Commission. **Vet treated for clipping**
- I.) Whether there was any suspicious betting pattern in the race: **n/a**
- J.) (**Mitigating**) Whether the trainer was acting under the advice of a veterinarian licensed to practice in West Virginia and holding an occupational permit issued by the Racing Commission. **Not treated horse**
- K.) Others factors deemed relevant by the Stewards Based on the above, the Stewards hereby impose the following penalty: **trainer has never had a drug related violation in racing.**
- L.) Based on the above, the Stewards hereby impose the following penalty for the underlying offense: **\$500 fine, 15 day suspension beginning May 7, 2015 and continue to and including May 21, 2015. It is further ordered that the purse be redistributed.**

Redistribution of purse is as follows: Non-applicable

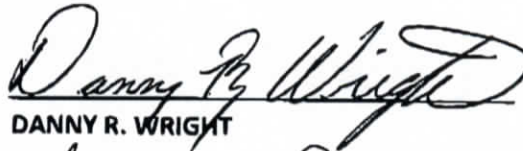

- 1st** Pinch This Too
- 2nd** Shakin in His Boots
- 3rd** Meehan Meehan
- 4th** Magnetizer
- 5th** Louis Gold
- 6th** Clever Bop

While under suspension, Mr. Tobin is denied access to and the privilege of all grounds under the jurisdiction of the West Virginia Racing Commission.

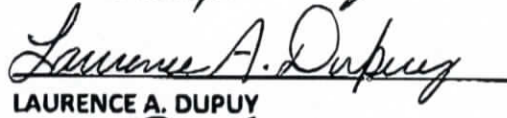

All fines imposed by the Stewards shall be paid to the Racing Commission within seven (7) Calendar days after the ruling is issued, unless otherwise ordered by the Stewards, Per Rule of Racing Number 178-1-8.5.n.
