- D.) **(Mitigating)** Whether there is reason to believe the permit holder knew of the administration of the drug or intentional administered the drug.
- E.) **(Mitigating)** The steps taken by the trainer to safeguard the horse:
- F.) The probability of environmental contamination exposure due to human use: **Non-Applicable**
- G.) The purse of the race: **Non-applicable**
- H.) **(Mitigating)** Whether the drug found was one for which the drug was receiving a treatment as documented by the treating veterinarian licensed to practice in West Virginia and holding an occupational permit issued by the Racing Commission.

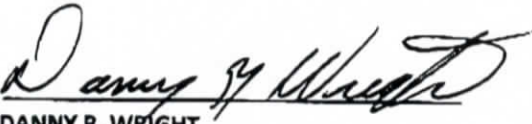

- I.) Whether there was any suspicious betting pattern in the race: **Non-applicable**
- J.) **(Mitigating)** Whether the trainer was acting under the advice of a veterinarian licensed to practice in West Virginia and holding an occupational permit issued by the Racing Commission.
