MULTIPLE MEDICATION VIOLATION RULING

DATE: 7/11/2018

RULING #: 83

TO: Tina Larue

DOB: 7/7/1960

PERMIT #: 21594 Trainer

The Stewards hereby impose the following penalty:

Following a Stewards hearing on Tuesday, July 10, 2018 at Mountaineer Racetrack, the Board of Stewards find trainer Tina Larue in violation of WV Rules of Racing 178-1-49.4.a, 178-1-49.4.a.1, and 178-1-24.11.gg of the Thoroughbred Racing Rules 173C.S.R.1.

Industrial Laboratories reported sample #E234145 taken from the horse "My Pal Archie" which was euthanized after sustaining an injury during the running of the 6th race on Wednesday, May 30, 2018 did contain Gabapentin confirmed in serum at a concentration level of (approximately 5.59 ng/ml.) Ms. Larue did not request a split sample to be sent.

The following is the Stewards' analysis of the mitigating/aggravating factors in this matter:

A.) The permit holder's past record

No previous medication violations

B.) The potential of the drug to influence the horse's racing performance.

Class 3 drugs all have the potential of affecting the performance of a racehorse.

C.) The legal availability of the drug.

Legally available

D.) Whether there is reason to believe the permit holder knew of the administration of the drug or intentionally administered the drug.

Trainer denies any knowledge of the administration of the drug

E.) The steps taken by the trainer to safeguard the horse.

Trainer stated the groom was with the horse at all times

F.) The probability of environmental contamination or inadvertent exposure due to human drug use.

None

G.) The purse of the race.

\$14,100

H.) Whether the drug found was one for which the horse had received treatment as documented by the treating veterinarian's treatment records.

Was not

I.) Whether there was any suspicious betting pattern in the race.

None

J.) Whether the trainer was acting under the advice of a veterinarian licensed to practice in West Virginia and holding an occupational permit issued by the Racing Commission.

Trainer denied any knowledge of administration

K.) Other factors deemed relevant by the Stewards.

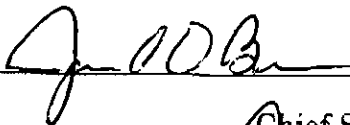

None

Based on the above, Ms. Larue is hereby suspended fifteen (15) days beginning Tuesday, July 10, 2018 through and including Tuesday, July 24, 2018. Ms. Larue is also fined five hundred dollars (\$500.00.)

Ms. Larue has no previous points for the multiple medication violation system and is assigned four (4) points for this medication violation.

All fines are to be paid within seven (7) days of imposition as per West Virginia Rule of Racing 178-1-8.5.N.

The Stewards hereby impose the following penalty:

Having waived his right to a hearing Trainer Eddie Clouston is found to be in violation of WV Rule of Racing #178-1-49.4.a.2.

Industrial Laboratories reported sample #E27439 taken from the horse "Celtic Moon" which finished 1st in the 4th race on Wednesday, June 20, 2018 did contain Ketoprofen confirmed in serum at a concentration level of 4.4 ng/ml. Mr. Clouston elected not to send a split sample.

Mr. Clouston is assigned ½ point for the Multiple Medication Violation system. He has 1½ points for previous violations giving him a total of 2 points

The following is the Steward's analysis of the mitigating/aggravating factors in this matter:

A.) The permit holder's past record

Mr. Clouston had 3 class C violations within the past 365 days

B.) The potential of the drug to influence the horse's racing performance.

All class C drugs have the potential of affecting the performance of a racehorse

C.) The legal availability of the drug.

Legally available

D.) Whether there is reason to believe the permit holder knew of the administration of the drug or intentionally administered the drug.

Trainer admitted administering the drug

E.) The steps taken by the trainer to safeguard the horse.
